

# Keep Marchin'

[Raphael Saadiq](#)

when there's nothing you can do  
when there's nothing you can say  
'cause everything aint' going to go your way  
if you're feeling kind of strange and you want to lay it down  
and it's hard for you to keep your feet on solid ground you got to keep, on ... keep marchin'  
keep marchin' on  
you got to keep, on ... keep marchin'  
keep marchin' on  
keep on ... keep marchin'  
when a poor girl shines and a rich girl cries  
and the clown is wearing no make up  
you got to get up and run, you got to get up and strive  
you got to put on your pride into making it you got to keep, on ... keep marchin'  
keep marchin' on  
you got to keep, on ... keep marchin'  
keep marchin' on  
keep on ... keep marchin'  
you got to keep, on ... keep marchin'  
keep marchin' on  
you got to keep, on ... keep marchin'  
keep marchin' on  
keep on ... keep marchin' merci lucas ;)
