Jim Brickman, Dane Deviller, Sean Hosein, Jordan Hill, Billy  
Porter & Brian Newcombe

What if I never knew  
What if I never found you  
I'd never have this feeling in my heart  
How did this come to be  
I don't know how you found me  
But from the moment I saw you  
Deep inside my heart I knewBaby you're my destiny  
You and I were meant to be  
With all my heart and soul  
I give my love to have and hold  
And as far as I can see  
You were always meant to be  
My destiny  
I wanted someone like you  
Someone that I could hold on to  
And give my love until the end of time  
But forever was just a word  
Something I'd only heard about  
But now you're always there for me  
When you say forever I believeBaby you're my destiny  
You and I were meant to be  
With all my heart and soul  
I give my love to have and hold  
And as far as I can see  
You were always meant to be  
My destiny  
Maybe all we need  
Is just a little faith  
'Cause baby I believe  
That love will find the way  
Hey yeahBaby you're my destiny  
You and I were meant to be  
With all my heart and soul  
I give my love to have and hold  
And as I far as I can see  
From now until eternity  
You were always meant to be  
My destiny  
You're my destiny  
You're my
