

Uhh Ahh

Boyz II Men

Chorus:

Uhh ahh

Uhh ahh

Uhh ahh

Uhh ahh The love I have right next to me

Is here and always will be

I'm caressing your body emotionally

As you can feel and will see

Oh tell me why can't we go all the way to the top

The fullest extreme

The sounds are here when you're with me

Express the way that you feel

And you say...Chorus In a passionate set we're moving close

Every bit of love that we share is the same

I can tell when I reach down deep inside

You show it when you call out my name Squeezing you tight and holding you close

Is all I feel inside

Although I try to hold in my love

It's something that I just can't hide Chorus (repeats twice)

Mike's monologue:

The music is low

The lights are dim, there we lie

Passion overflows

With every look in your eyes

Infatuation, lust and a lot love

Sweet caresses and yes' to me as you rub

And clench my back

Ecstasy fills the air

As you kiss on my neck

And stroke the back of my hair

To hold you tonight

I feel this is my duty

To grasp, to hold, to rock that booty Chorus (repeats a lot and fades out)
