

So Long

Natalie Grant

Na, na, na, na, na, na, na
Mystified by the struggle
To survive my own pride
Haunted by the demons
Of my past life, yeah
Who am I? And why do I?
Are questions that keep running
Through my mind, yeah
But underneath this shallow skin
A brand new me is comin' out
Comin' out from within
So long, farewell to my old self
Goodbye to the lie that I can't be someone else
'Cause who I was ain't who I am
I know that I've been born again
Those stains of my history are gone, gone, gone
So long
Apathy, hunting me
Like some contagious disease
Hypocrisy hiding in the shadows
Of the former me
Doin' what comes naturally
I'm not who I want to be
Ready to, I'm ready to be free, oh yeah
So long, farewell to my old self
Goodbye to the lie that I can't be someone else
'Cause who I was ain't who I am
I know that I've been born again
Those stains of my history are gone, gone, gone
So long
Yeah, yeah, yeah, yeah, yeah, so long
Na, na, na, na, na, na, na, so long
So long, yeah
Na, na, na, na, na, na, na
Hey, hey, hey, so long
Na, na, na
(Na na na na na na)
Na, na, na, na
Hey, hey, hey, so long, yeah
So long, farewell to my old self
Goodbye to the lie that I can't be someone else
'Cause who I was ain't who I am
I know that I've been born again
Those stains of my history are gone, gone, gone
So long, so long
Na, na, na
(See you later, so long, yeah)
Na, na, na

(Na, na, na, na, na, na, na)
