

# Never Again

## Eli Young Band

Sun goes down, someone's lonely  
Lights go out, someone's going  
Kind of crazy, hallway pacing  
Someone forgets, we've been saying Never again, never again, never again  
That one of us starts thinking  
Calling again, calling again, calling again  
Is a good idea, we start  
Falling again, falling again, falling back  
Into my head and even then  
The sun comes up starts creeping in  
We wake up say never again, again Uh, uh, uh  
Uh, uh, uh  
Uh, uh, uh  
Days go by, sometimes longer  
It comes back, even stronger  
It's inevitable, like there's nothing you can do  
But give it time, that's the thing about me and you Say never again, never again, never again  
That one of us starts thinking  
Calling again, calling again, calling again  
Is a good idea, we start  
Falling again, falling again, falling back  
Into my head and even then  
The sun comes up starts creeping in  
We wake up say never again, again Uh, uh, uh  
Uh, uh, uh  
Uh, uh, uh  
I'm not trying to say  
That I don't wanna say  
Never again, yeah  
Never again, hm hm Never again, never again, never again  
That one of us starts thinking  
Calling again, calling again, calling again  
Is a good idea, we start  
Falling again, falling again, falling back  
Into my head and even then  
The sun comes up starts creeping in  
We wake up say never again, again Uh, uh, uh  
Uh, uh, uh  
Uh, uh, uh We wake up say never again, again Uh, uh, uh  
Uh, uh, uh (again)  
Uh, uh, uh (yeah) Sun goes down, someone's lonely
