

# Just for You (feat. Billy Currington)

Lionel Richie

Golden days, life was play  
Pain was all a world away  
We went to school, we learned the rules  
We trusted all they had to say  
Then life took a turn  
We all had to learn  
And we can't go back again And my heart is breaking  
Just for you, just for you  
And my arms are open  
Just for you, just for you  
Just for you  
God was god and dreams were dreams  
Life was all cake and ice cream  
Truth was true and lies were lies  
We thought love would never die  
But the world moved on  
My illusion's gone  
And I don't know who to blame And my heart is breaking  
Just for you, just for you  
And my arms are open  
Just for you, just for you  
And these tears I'm crying  
Are for you, just for you  
Just for you I'm looking for protection  
Give me shelter from the storm  
I just hope this light inside me  
Keeps me strong  
And my heart is breaking  
Just for you, just for you  
And my arms, they're open  
Just for you, just for you  
And these tears I'm crying  
Are for you, just for you  
Just for you  
Just for you Oh, these tears I'm crying  
Are just for you  
Oh, I feel like crying  
Just for you Oh, my heart is breaking (my heart is breaking)  
And my arms are open (and my arms are open)  
Oh, these tears I'm crying (these tears I'm crying)  
They're just for you (are just for you)  
Oh, just for you (my heart is breaking)
