

Great Big Big Big Head

Alice Donut

The naked body of Liberace
For a great big big big head.
The shoes of Imelda Marcos
For a great big big big head.
Buffalo Penis from outer space
For a great big big big head.
The subtle tounge of Nipsy Russell
For a great big big big head. That's all I want, that's all I want.
(repeated 4x) All I want in this world
Is a Great Big Big Big Head.
(That's all I want, that's all I want)
All I want in this world
Is a Great Big Big Big Head.
(That's all I want, that's all I want)
All I want in this world
Is a Great Big Big Big Head.
(That's all I want, that's all I want)
All I want in this world
Is a Great big Big big big big big Head.
(mock falsetto)
La, La, La, La.
