What's Love Got To Do With It

Tina Turner

You must understand
Though the touch of your hand
Makes my pulse react
That it's only the thrill
Of boy meeting girl
Opposites attract
It's physical
Only logical

You must try to ignore

That it means more than that What's love got to do, got to do with it

What's love, but a second-hand emotion

What's love got to do, got to do with it

Who needs a heart when a heart can be broken

It may seem to you

That I'm acting confused

When you're close to me

If I tend to look dazed

I read it some place

I've got cause to be

There's a name for it

There's a phrase fits

But whatever the reason

You do it for meWhat's love got to do, got to do with it

What's love, but a second-hand emotion

What's love got to do, got to do with it

Who needs a heart when a heart can be brokenI've been taking on a new direction

And I have to say

I've been thinking 'bout my own protection

It scares me to feel this way

What's love got to do, got to do with it

What's love, but a second-hand emotion

What's love got to do, got to do with it

Who needs a heart when a heart can be brokenWhat's love got to do, got to do with it

What's love, but a sweet old fashioned notion

What's love got to do, got to do with it

Who needs a heart when a heart can be broken
