

# Snowfall

## Manhattan Transfer

Snowfall  
Softly  
Gently drift down Snowflakes  
Whisper  
'Neath my window Covering trees  
Misty lights  
Velvet breeze  
'Round my doorstep  
Gently  
Softly  
Silent  
Snowfall Covering trees  
Misty lights  
Velvet breezes  
'Neath my window Gently  
And softly  
Silent  
Snowfall  
Drift down  
Drift down  
Drift down  
Snowfall
