

# Humpin' Around (feat. Stylz)

Bobby Brown

When you trust someone  
And you know you're on their back  
You ain't got no trustin' about you And you claim that you  
Don't care where I'm at  
You've given me reason to doubt you Say you trust someone  
Why ya callin' all around  
Think I've got some dip on the side Girl you don't trust no one  
And you constantly in doubt  
You lose the game  
If you play that way Get up off me back  
Save your heart attack  
Ain't nobody is humpin' around  
No matter what they say  
No it ain't that way  
Ain't nobody humpin' around When you love someone  
And you want to love 'em right  
Got to get more lovin' about cha When you know  
That you're holdin' on too tight  
Soon they will be leavin' without you Say that you love someone  
Why you callin' all my friends  
Thinkin' I got somethin' to hide Girl you don't love no one  
You don't know what love's about  
You lose the game  
If you, if you play that way  
Get up off me back  
Save your heart attack  
Ain't nobody is humpin' around No matter what they say  
No it ain't that way  
Ain't nobody humpin' around Girl when you love someone  
You don't call on everybody  
Ain't nobody foolin' around And the more I think about it  
You'll lose all your clout and  
You lose the game baby  
If you play that way Back to the BB Brown  
Back to the BB Brown  
Back to the BB Brown My name is Brown, that's what I'm called so  
Don't try to step on me wrong or you'll fall slow  
'Cuz I just want to kick soul to ya  
Maybe, baby, take control of ya, just like I told ya I wanna roll on the tip that's moving  
Able to make you move and groove  
And leave you like ooh when I touch ya  
Give you so much of the feeling of the deck

That I'm dealing when I rub ya up and down  
Yo Stylz kick it Well, I know it's been a while  
Since you heard a change in our style  
So what I've come to do is kick you something fly and new  
A change, different from the typical a bit more than regular  
Not like the others original, 'cuz originality  
And creativity add it up together equals the B.B.B. posse  
Yeah, we've in the house, yo kick it Get up off me back  
Save your heart attack  
Ain't nobody is humpin' around No matter what they say  
No it ain't that way  
Ain't nobody humpin' around Get up off me back  
Save your heart attack  
Ain't nobody is humpin' around No matter what they say  
No it ain't that way  
Ain't nobody humpin' around Get up off me back  
Save your heart attack  
Ain't nobody is humpin' around No matter what they say  
No it ain't that way  
Ain't nobody humpin' around
