

Black Sheep

Metric

Hello again, friend of a friend, I knew you when
Our common goal was waiting for the world to
end
Now that the truth is just a rule that you can bend
You crack the whip, shape-shift and trick
the past again
I'll send you my love on a wire
Lift you up, everytime, everyone, ooo, pulls away,
ooo
From you
Got balls of steel, got an automobile, for a minimum wage
Got real estate, I'm
buying it all up in outerspace
Now that the truth is just a rule that you can bend
You crack the whip, shape-shift and trick, the past again
I'll send you my love on a wire
Lift you up, everytime, everyone, ooo, pulls a way, oo
It's a mechanical bull, the number one
You'll take a ride from anyone
everyone wants a ride, pulls away, oooh from you
