You Are the Best Thing

Ray LaMontagne

Baby, it's been a long day, baby Things ain't been going my way You know I need you here Here by my side All of the timeAnd baby, the way you move me it's crazy It's like you see right through me And you make it easier You please me and you don't even have to tryOh because, you are the best thing You are the best thing You are the best thing Ever happened to me Baby, we've come a long way, baby You know, I hope and I pray that you believe me When I say this love will never fade awayOh because, you are the best thing You are the best thing You are the best thing Ever happened to meNow both of us have known love before To come on up promising, like the spring, just walk on out the door Our hearts are strong and are hearts are kind Well, let me tell you what exactly is on my mindYou are the best thing You are the best thing You are the best thing Ever happened to me You are the best thing You are the best thing You are the best thing Ever happened to me You are the best thing (Yeah, yeah) You are the best thing (Yeah, yeah) You are the best thing (Now, now, now, now) Ever happened to me Song Discussions is protected by U.S. Patent 9401941.
