

Alien

Lifehouse

Well I've been lost in a sea of faces
I've been living in a whole town
I've been trying so hard to erase this
Pain's got me crawling back in my shell
So tired of always feeling like
A stranger in my skin And I don't wanna be alone
Always feeling like an alien
And I don't wanna be alone
Always feeling like an alien
And I don't wanna be alone I've been walking in my sleep for ages
I've been hiding from the shadows
I've been feeling so afraid and anxious
This town won't let me go
If it gets time, I'll let you in
Can we start over again? And I don't wanna be alone
Always feeling like an alien
And I don't wanna be alone
Having everywhere and back again
And I don't wanna be alone
Always feeling like an alien
And I don't wanna... Close my eyes
And I am home
I close my eyes and I am home
I close my eyes and I am home
I close my eyes
And I don't wanna be alone
Always feeling like an alien
And I don't wanna be alone
Having everywhere and back again
And I don't wanna be alone
Always feeling like an alien
And I don't wanna be alone
