

I Wouldn't Know (feat. KB)

Lecrae

Gawvi, get 'em I'm living like you should wanna know what I know
Remember this, you will always reap what you sow
Gotta keep it real, hold it down on the low
Never been fearin' nah nah nah nah
So I wouldn't know
I wouldn't know
I wouldn't know
(I wouldn't, I wouldn't)
I wouldn't know (I wouldn't, wouldn't)
They say I'm going out my head right now
They say I'm gonna fail right now (gon' fail right now)
Maybe you was countin' bands all night
You trappin' out the bando now?
I wouldn't know
You ain't runnin' the streets, you just runnin' your mouth
I don't hear what they speak (I don't hear you)
I just walk like I talk, got that light to my path and that lamp to my feet
But the feeling so sweet
Got me feeling like a beast
A sickness and God is my witness but the foreign car making my pockets pretentious, Lord
Somebody help me
I'd have seen things I don't wanna see
I'm out running through the streets
Heard somebody calling me and saying we should meet
But I wouldn't know
Yeah they probably talking 'bout me
Probably plenty of 'em saying that they doubt me
Keep the folks around me
Father, keep me grounded
I wouldn't know cause I never be around them, No
20, 50, 100s, stunting stunting stunting
Look what we becoming
Heard that reaper coming but this what you wanted
So I wouldn't know Hundred bands, you got a hundred grand, hundred grand
That is easy a scholarship
You'd rather go the club and blow all of it
I don't wanna judge, but you won't get your honor yeah
We don't care what you did on the gram
Boy, you aborted the mission and I got the sonogram
Haven't you, haven't you noticed
Rappers they flex on the place they come from
They brag that they eatin', while we got no groceries

American Dreams
Barely Americans really do dream
That couldn't leave, heritage weStart from the bottom and never do leave, geez
I am for the people, you are for the paper
Breakin' cycles, make disciples that's all that I doI'm living like you should wanna know what I
know
Remember this, you will always reap what you sow
Gotta keep it real, hold it down on the low
Never been fearin' nah nah nah nah
So I wouldn't know
I wouldn't know
I wouldn't know
(I wouldn't, I wouldn't)
I wouldn't know
(I wouldn't, wouldn't)
