

# Without You

Charlie Wilson

Mmm... Hmm...It feels like a lifetime, a thousand days have passed  
By  
Since I held you close to me  
If I could see that smile from my friend  
I know that I could live again  
I need you here with meHeaven knows what to say  
Even though for right now you're so far away  
I hope and I pray  
Somewhere in your heart I'll always stay  
Girl, lately my sun doesn't shine without you  
Never noticed what it feels like to be without you  
Feels like I took my last step and my last breath and  
My life ended  
Had to say just what I was feeling, girl  
'Cause my sun doesn't shine, sun doesn't shine without  
YouThis is more for me than for you  
Girl, I finally see there's no substitute  
For what we have  
Do you know how much I love youAnd that we shared, I can't forget  
Girl a love like yours  
I'll never let just slip away,  
Just promise that you'll stay  
Heaven knows what to say  
Even though for right now you're so far away  
Gonna tell you and show you  
Do whatever I can do to get back to youGirl, lately my sun doesn't shine without you  
Never noticed what it feels like to be without you  
Feels like I took my last step and my last breath and my life ended  
Had to say just what I was feeling, girl  
'Cause my sun doesn't shine, sun doesn't shine  
Without youHave you ever seen a flower that did not bloom, seen a starless night without the  
moon, well that's me without you, so come back and turn my nights into days.Girl, lately my  
sun doesn't shine without you  
Never noticed what it feels like to be without you  
Feels like I took my last step and my last breath and my life ended  
Had to say just what I was feeling, girl  
'Cause my sun doesn't shine, sun doesn't shine  
Without you
