

Love Yourz

J. Cole

pLove yours
Love yours
No such thing as a life that's better than yours
No such thing as a life that's better than yours
(Love yourz)
No such thing as a life that's better than yours
No such thing, no such thing
Heart beatin' fast, let a nigga know that he alive
Fake niggas mad, snakes in the grass let a nigga know that he arrive
Don't be sleepin' on you lover cause it's beauty in the struggle nigga
Goes for all y'all
It's beauty in the struggle nigga
It's beauty in the struggle nigga, ugliness in the success
Hear my words or listen to my signal of distress
I grew up in the city and though some times we had less
Compared to some of my niggas down the block man we were blessed
And life can't be no fairytale, no once upon a time
But I be God damned if a nigga don't be tryin'
So tell me mama please why you be drinking all the time?
Does all the pain he brought you still linger in your mind?
Cause pain still lingers on mine
On the road to riches listen this ios what you'll find
The good news is nigga you came a long way
The bad news is nigga you went the wrong way
You think being broke is better
For what's money without hapiness?
Or hard times without the people you love
Though I'm not sure what's 'bout to happen next
I asked for strength from the Lord up above
Cause I've been strong so far
But I can feel my grip loosening
Quick, do something before you lose it for good
Get it back and use it for good
And touch the people how you did like before
I'm tired of living with demons cause they always inviting more
Think being broke was better
Now I don't mean that phrase with no disrespect
To all my niggas out there living in debt
Cashing minimal checks
Turn on the TV see a nigga Rolex
And fantasise about a life with no stress
I mean this shit sincerely

And that's a nigga who was once in your shoes
Living with nothin' to lose
I hope one day you hear me
Always gon' be a bigger house somewhere, but nigga feel me
'Long as the people in that motherfucker love you dearly
Always gon' be a whip that's better than the the one you got
Always gon' be some clothes that's fresher than the one's you rock
Always gon' be a bitch that's badder out there on the tours
But you ain't never gon' be happy till you love yours
Heart beatin' fast, let a nigga know that he alive
Fake niggas mad, snakes in the grass let a nigga know that he arrive
