

# Happy Now

## Bon Jovi

What would you say to me  
If I told you I had a dream  
If I told you everything  
Would you tell me to go back to sleep  
Take a look in these tired eyes  
They're coming back to life  
I know I can change, got hope in my veins  
I tell you I ain't going back to the pain  
Can I be happy now?  
Can I let my breath out  
Let me believe  
I'm building a dream  
Don't try to drag me down  
I just wanna scream out loud  
Can I be happy now?  
Been down on my knees  
I learned how to bleed  
I'm turning my world around  
Can I be happy now  
Can I break free somehow  
I just wanna live again  
Love again  
Pick my pride up off of the ground  
I'm ready to pick a fight  
Crawl out of the dark to shine a light  
I ain't throwing stones, got sins of my own  
Ain't everybody just trying to find a way home  
Can I be happy now?  
Can I let my breath out  
Let me believe  
I'm building a dream  
Don't try to drag me down  
I just wanna scream out loud  
Can I be happy now?  
Been down on my knees  
I learned how to bleed  
I'm turning my world around  
You're born then you die, it's all gone in a minute  
I ain't looking back, 'cause I don't want to miss it  
You better live now  
Cause no one's going to get out alive  
Can I be happy now?  
Can I let my breath out  
Let me believe  
I'm building a dream  
Don't try to drag me down  
I just wanna scream out loud  
Can I be happy now?  
Been down on my knees  
I learned how to bleed

I'm turning my world around Can I be happy now? I'm turning my world around Can I be happy  
now?
