

# Was It Worth It (feat. Sterling Simms)

## Kid Ink

I've been livin' with devils and angels, angels, angels  
Realize you and I are in the same boat, same boat, yeah  
Kills me, how you love me then you  
Cut me down, I'll do the same  
We been living like angels and devils, devils I'm loving the pain  
I never wanna live without it  
So why do we try?  
You drive me insane  
Now we're screaming just to see who's louder  
So why do we try?  
You got me like  
Na na na na na na na  
(oh, yeah) You and I redefine being love sick, love sick, love sick  
Through it all you could still make my heart skip, heart skip, yeah  
Even when you're yelling at me  
I still think you're beautiful  
Through it all you could still make my heart skip, heart skip I'm loving the pain  
I never wanna live without it  
So why do we try?  
You drive me insane  
Now we're screaming just to see who's louder  
So why do we try?  
You got me like  
Na na na na na na na  
Na na na na na na na  
Na na na na na na na  
Na na na na na na na Oh baby, look at us  
We been living like angels, living like devils  
Oh baby, look at us  
We been loving like angels, loving like devils  
Oh baby, look at us  
We been living like angels, living like devils  
Oh baby, look at us  
We been loving like angels, loving like devils  
Oh, baby, look I'm loving the pain  
I never wanna live without it  
So why do we try? (do we try)  
You drive me insane  
Now we're screaming just to see who's louder

So why do we try?  
You got me likeNa na na na na na na  
Na na na na na na na  
Na na na na na na na  
Na na na na na naNa na na na na na na  
Na na na na na na na  
Na na na na na na na  
Na na na na na na na
