

# Modern Man

## Arcade Fire

So I wait my turn, I'm a modern man  
And the people behind me, they can't understand  
Makes me feel like  
Makes me feel like So I wait in line, I'm a modern man  
And the people behind me, they can't understand  
Makes me feel like  
Something don't feel right Like a record that's skipping  
I'm a modern man  
And the clock keeps ticking  
I'm a modern man  
Makes me feel like  
Makes me feel like  
In my dream I was almost there  
Then you pulled me aside and said you're going nowhere  
They say we are the chosen few  
But we're wasted  
And that's why we're still waiting  
On a number from the modern man  
Maybe when you're older you will understand  
Why you don't feel right  
Why you can't sleep at night now In line for a number but you don't understand  
Like a modern man  
In line for a number but you don't understand  
Like a modern man  
Oh I had a dream I was dreaming  
And I feel I'm losing the feeling  
Makes me feel like  
Like something don't feel right  
I erase the number of the modern man  
Want to break the mirror of the modern man  
Makes me feel like  
Makes me feel like In my dream I was almost there  
Then you pulled me aside and said you're going nowhere  
I know we are the chosen few  
But we're wasted  
And that's why we're still waiting  
In line for a number but you don't understand  
Like a modern man  
In line for a number but you don't understand  
Like a modern man And you feel so right  
But how come you can't sleep at night?  
In line for a number but you don't understand

Like a modern man I'm a modern man

I'm a modern man

I'm a modern man

I'm a modern man
