

# Shawty Come Back

Charlie Wilson

Yeah, ya know I know you like cooked food  
Ya know you're fuckin with a good dude  
Yeah, Ya know I know ya like cooked food  
Ya know you're fuckin with a good dude  
You can go inside and stay in  
Tell ya home boy you're stayin you've been taken  
Yeah, ya know I know ya like cooked food  
Ya know you're fuckin with a good dude Now I admit that I was wrong from the beginning  
Yeah, I said I did it ya said that we'd forget it  
But you're in my head askin' who's there everytime I leave up out the house  
Girl ya know I'm a good dude  
Knows you like cooked food  
I only messed up one time and the other day when you was callin baby  
Girl I promise I was talkin' Venice on the other line  
You my number one shawty  
Yeah, ya gotta believe me  
Oh yeah, you're the only one for me  
And I can't believe that you would leave.  
[Chorus:]  
Baby come back  
Oh ya know I need you here with me  
Girl ya know I love everything little about you  
(Ya know you're fuckin with a good dude)  
Shawty come back  
You can put it all on me  
I was wrong and I can't be without you  
(Ya know you're fuckin with a good dude)  
Baby come back Don't forget the big picture  
Gotta house and car with ya when ya family started trippin  
I was there for you girl, you girl, only you girl, do you remember that?  
Now I ain't afraid to say it girl I ain't prayin' I need you in my life  
Uh hu, okay, that's right, oh yeah  
Yeah you're my number one shawty  
Yeah ya gotta believe, me oh yeah  
You're the only one for me and I can't believe that you would leave  
[Chorus]  
It wasn't me with Keysha  
It wasn't me with Lisa, Shonna or Tamika  
It wasn't them either  
Oh oh ya know I love ya, oh yeah, no one above you girl  
(Ya know you're fuckin with a good dude)  
Shawty come back

Ya know it wasn't randa  
Wasn't me with Tosha  
Durely wasn't Katlin tell me why their hatin on me girl  
You're the only one for me girl  
[Chorus]
