

Who Did That to You?

John Legend

Yeah, Now I am not afraid to do the Lord's work
You say vengeance is his but Imma do it first
I'm gonna handle my business in the name of the Law, Ooooh Now if he made you cry oh I gotta
know
if he's not ready to die, he best prepare for it
My judgment's divine I'll tell you who you can call,
you can call You better call the police
Call the coroner
Call up your priest
Have them warn ya
Won't be no peace
When I find that fool
Who did that to you
Yeah
Who did that to you
My baby
Who did that to you
Gotta find that fool
Who did that to you?
Now I don't take pleasure in a man's pain
But my wrath will come down, like a cold rain And there won't be no shelter, no place you can
go
Eeeh, heeey,
It's time to put your hands up
Time for a surrender I'm a vigilante
My love's defender
You're a wanted man, here everybody knows,
yeeeah You better call the police
Call the coroner
Call up your priest
Have them warn ya
Won't be no peace
When I find that fool
Who did that to you
Yeah
Who did that to you
My baby
Who did that to you
Gotta find that fool
Who did that to you?
He'll keep on running but, I'm closing in
I'll hunt him down until the bitter end

If you see me coming then, who are you gonna call?

Yeeah

You better call the police

Call the coroner

Call up your priest

Have them warn ya

Won't be no peace

When I find that fool

You better call the doctor

Call the lawyer

I'll chased him all the way to California

Get my hey yea, gonna find that fool

Who did that to you?
