

# When Mama Prayed

Randy Travis

For you I am praying  
For you I am praying  
For you I am oraying  
I'm praying for youDaddy never went to church on Sunday  
he said that's one thing I'll never do  
Mama never gave up she said one day  
He'll be sitting here beside me and youI can still hear Mama softly talking  
Her tears falling on her folded hands  
So that Easter Sunday Daddy walked  
That's when I began to understand  
Chorus:  
When Mama prayed, good things happened  
When Mama prayed, lives were changed  
Not much more than five foot tall  
But mountains big and small  
Crumbled all the way when Mama prayedSeventeen and wild I hit the bottom  
Doing and thing I dang well please  
Burning down life's highway at full throttle  
While Mama burned a candle on her kneesThen one night I came home half sober  
I saw Mama kneeling in the den  
As I listened, she and Jesus talked it over  
And I knew my restless days were 'bout to endChorus  
It isn't like every one of them got answered  
But the times they weren't seems to me were rare  
You almost felt sorry for the devil  
Cause heaven knows he didn't have prayerChorus
