

# Say Yes

## Floetry

See I've been watching you for a while your smile and stuff  
And I don't know if I can be with you for tonight, alright  
Is that alright, baby, babyThere is only one for me  
You have made that a possibility  
We could take that step to see  
If this is really gonna be  
All you gotta do is say yesAll you gotta do is say yes  
Don't deny what you feel let me undress you, babe  
Open up your mind and just rest  
I'm about to let you know you make me so  
All you gotta do is say yes  
Don't deny what you feel let me undress you, babe  
Open up your mind and just rest  
I'm about to let you know you make me so, so  
So, so, so, so, so, so  
You make me so, so, so, so, so, so, soLoving you has taken time, take time  
But I always knew you could be mine  
I recognize the butterflies inside me  
Sense is gonna be made tonight, tonight  
All you gotta do is say yesAll you gotta do is say yes  
Don't deny what you feel let me undress you, babe  
Open up your mind and just rest  
I'm about to let you know you make me so  
Don't deny what you feel let me undress you, babe  
Open up your mind and just rest  
I'm about to let you know you make me so, so  
So, so, so, so, so, so  
You make me so, so, so, so, so, so, so  
You make me so, so, so, so, so, so, so  
You make me so, so, so, so, so, so, so, so, so  
Yeah, yeah, yeah  
Oh right there, right there, right there  
Right there, right there
