

One Direction

I got a heart, and I got a soul
 Believe me, I will use them both
 We made a start
 Be it a false one, I know
 Baby, I don't want to feel alone So kiss me where I lay down
 My hands pressed to your cheeks
 A long way from the playground I have loved you since we were 18
 Long before we both thought the same thing
 To be loved and to be in love
 All I can do is say that these arms are made for holding you, oh
 I wanna love like you made me feel
 When we were 18
 We took a chance
 God knows we tried
 Yet all along, I knew we'd be fine
 So pour me a drink, oh love
 And let's split the night wide open, and we'll see everything
 Living love in slow motion, motion, motion So kiss me where I lay down
 My hands pressed to your cheeks
 A long way from the playground I have loved you since we were 18
 Long before we both thought the same thing
 To be loved and to be in love
 And all I can do is say that these arms are made for holding you, oh
 And I wanna love like you made me feel
 When we were 18 When we were 18
 Oh Lord, when we were 18
 Kiss me where I lay down
 My hands pressed to your cheeks
 A long way from the playground I have loved you since we were 18
 Long before we both thought the same thing
 To be loved and to be in love
 And all I can do is say that these arms are made for holding you
 And I wanna love like you made me feel
 When we were 18 I wanna love like you made me feel
 When we were 18
 I wanna love like you made me feel
 When we were 18
