(C-Life on the beat)[Bizzle:]  
I'm just out here on my job, but you want all this work today (Yeah!)  
I can tell it when you see us, you feel some type of way (Ye!)  
So, you see I put the toys away, and now, you wanna play (You wanna)  
Till I huff and then I puff, and I blow all your smoke away (Yeah, yeah, yeah, I just)  
I just leveled up and ain't no smoking on this flow (Smoking)  
You too afraid to grow, that's why we bolted on this flow (Flow)
