There's a blue light In my best friend's room There's a blue light In his eyeThere's a blue light, yeah I want to see it ShineThere's a ship That sails by my window There's a ship that sails on by There's a world under it I think I see it Sailing away I think it's sailing Miles crashing me by Crashing me by Crashing me by There's a world Outside my doorstep Flames over Everyone's hot Don't you see them shining I want to hear them Beating for me I think I hear themWaves crashing me by Crashing me by Crashing me by Song Discussions is protected by U.S. Patent 9401941.
