

# Roll Up

## Wiz Khalifa

I roll up, I roll up, I roll up  
Shawty, I roll up  
I roll up, I roll up It's your anniversary isn't it?  
And your man ain't acting right  
So you packing your Damier luggage up  
Calling my cell phone, trying to catch a flight You know one thing straight  
I'll be there girl whenever you call me  
When you at home, that's your man  
Soon as you land you say it's all me 'Cause shit ain't all G with him, no more  
You ain't entertained  
Since I meet you a couple months ago  
You ain't been the same  
Not saying I'm the richest man alive  
But I'm in the game  
As long as you keep it 100  
I'ma spend this change Whenever you need me, whenever want me  
You know you can call me, I'll be there shortly  
Don't care what your friends say, 'cause they don't know me  
I can be your best friend and you be my homie I ain't gonna flex, I'm not gonna front  
You know if I ball then we all gon' stunt  
Send her my way, she ain't gotta hold up  
Whenever you call, baby, I roll up, I roll up, I roll up  
Whenever you call, baby, I roll up, I roll up, I roll up  
Whenever you call, baby, I roll up I try to stay out your business  
But on the real you're so obvious  
And if you keep fitting me in your plans and fucking up  
Your man's gonna catch onto us  
That white sand surrounding us  
He be handcuffing, he should work for them officers  
If you rolling, I got a spot where I can put you on this medical  
And send you home, doctored up You wanna ride with me 'cause you say that he boring  
Wake up you rolling weed, cooking eggs in the morning  
Ain't scared to spend this money, I know I'll make more of it  
First you was in the sky, now you say you in orbit Whenever you need me, whenever want me  
You know you can call me, I'll be there shortly  
Don't care what your friends say, 'cause they don't know me  
I can be your best friend and you be my homie I ain't gonna flex, I'm not gonna front  
You know if I ball then we all gon' stunt  
Send her my way, she ain't gotta hold up  
Whenever you call, baby, I roll up, I roll up, I roll up  
Whenever you call, baby, I roll up, I roll up, I roll up  
Whenever you call, baby, I roll up No matter where I am, no matter where you are

I'll be there when it's over, baby  
'Cause I was there from the start  
Don't matter if I'm near, don't matter if you're far  
All you do is pick the phone up lady  
And I'll be there when you call Whenever you need me, whenever want me  
You know you can call me, I'll be there shortly  
Don't care what your friends say, 'cause they don't know me  
I can be your best friend and you be my homie I ain't gonna flex, I'm not gonna front  
You know if I ball then we all gon' stunt  
Send her my way, she ain't gotta hold up  
Whenever you call, baby, I roll up  
Whenever you need me, whenever want me  
You know you can call me, I'll be there shortly  
Don't care what your friends say, 'cause they don't know me  
I can be your best friend and you be my homie  
I ain't gonna flex, I'm not gonna front  
You know if I ball then we all gon' stunt  
Send her my way, she ain't gotta hold up  
Whenever you call, baby, I roll up, I roll up, I roll up  
Whenever you call, baby, I roll up, I roll up, I roll up  
Whenever you call, baby, I roll up  
I roll up, I roll up, I roll up, whenever you call, baby, I roll up...
