

# Rain (feat. Nas)

Jadakiss

Thunderstorm and the forecast  
More time to meditate on ya war path  
To the face wit a whole blunt  
All my chains and a watch on that's a cold front  
Yea they wishing I come around more  
But when I do they don't notice the heavy downpour  
Haters prayin' on my death on my downfall  
They got me lookin' for my shadow like the ground hog  
Its get frightening all you see is the lightning  
Niggas ungrateful bitches is just trifling  
Can't be real wit ya self its not right then  
Different from everybody else but not like them  
Need the respect gotta have the power  
If I squeeze this teck that's a scattered shower  
Guaranteed that its gonna touch you  
Hoes wanna fuk niggas wanna hustle  
No offense but you better D up  
Whenever it rains is the best time to re-up  
Niggas you wanna kill family members is ill  
The shit you think about about as each drop hit the seal  
Crib paid for the kids get a couple mill  
Smoke a lil' weed you might pop a couple pills  
Sharp as a ginsu everybody against u  
Things that you get yourself into is all mental  
It's a lot of pain in my tears  
Dark thoughts turn into criminal ideas  
Just like where do you see yourself in five years  
I've always been a superior to my peers  
Yea and my rain ain't stop yet Even though its mostly the lames that got wet I'm all about a profit  
I pull it out and pop it  
And no umbrella or raincoat can't stop it  
Styles P: they say life's a bitch nigga  
Kiss: real niggas love bitches tho  
Styles P: misery loves company  
Kiss: Yeah, fuck it nigga I'm miserable  
Styles P: They say when it rains it pours  
Kiss: Rain  
Styles P: They say when it rains it pours  
Kiss: Rain Rain Rain I'm the weather report  
I'm the president of this veteran sport  
Make it feel chill like you need ya pelly back on  
I'm cosmic I'm full storm from the projects

Yea its in the air you ain't gotta tell 'em who Nas is  
Skies is red winds is 7 miles per hour  
Light showers visibility clearly  
No one real as me cowards  
Never speak to cops only speak to attorneys  
Had to leave the block took the whole hood on my journey  
Hear these niggas talkin, who they talkin' to  
I ascended from heaven I can walk on the moon  
Everybody a killa guess everybody a goon  
Not every don is a don till a don walk in the room  
Right state of emergency autumn leaves mother nature  
Feel the urgency the reign I rain hot springs  
Nueva york they throw salt  
Kama sutra in female thoughts I'm stalked  
So I pray like it's Jumah, it rainsYo when you on top of the world the game is yours  
And ya dope is uncut ya cane is pure  
The problems start coming it rains it pours  
And ya money is not long enough to change the law  
U figured everyhting would be done in one night  
All you wanted is shine but the sun is on strike then  
Cash comes in then the love stop  
Ice in the bezel that's a flood watch  
Heavy precipitation  
There's nothing you can do that can better the situation  
They ain't say it ain't safe to drive in  
Its on you how you got about surviving  
In the rain niggaStyles P - they say life's a bitch nigga  
Kiss - real niggas love bitches tho  
Styles P - misery loves company  
Kiss - yea fuck it nigga I'm miserable  
Styles P - they say when it rains it pours  
Kiss - Rain  
Styles P - they say when it rains it pours  
Kiss - Rain Rain Rai
