

# Dreams

## Boyz II Men, William Ross & Orchestra

Here I am again, wondering if you're okay  
Can't stop this troubled heart  
Cuz we're apart, miles away  
Phone pressed up to my ear  
Wish you were here, holding me  
A face to go with your sweet voice  
Will bring me joy, totally I know I can't be there  
But baby it's alright  
I'll be waiting for you, tonight  
I pray that you'll be there  
When I close my eyes  
Meet me in my dreams, tonight  
One thing that never changes  
No matter what  
I can't wait to see you  
Can't wait to feel you  
And there's a place of our own, where we can go  
Nobody knows  
I close my eyes real tight  
And make love to you all night I know I can't be there  
Baby it's alright  
I'll be waiting for you, tonight  
I pray that you'll be there  
When I close my eyes  
Meet me in my dreams, tonight  
I wish I may, I wish you might  
Find some time when you sleep tonight  
To think of me and I'll appear before your eyes  
It's my paradise, your world  
You are my heart, my life, my girl  
Oh, can't wait to go to sleep  
Cuz there's a possibility, you'll meet me Ohh, oh oh oh oh  
Ohh yeah, oh yeah  
I know... I know I can't be there  
Baby it's alright  
I'll be waiting for you, tonight  
I pray that you'll be there  
When I close my eyes  
Meet me in my dreams, tonight  
I know I can't be there  
Baby it's alright  
I'll be waiting for you, tonight

I pray that you'll be there  
When I close my eyes  
Meet me in my dreams, tonight
