

# Heat Waves

## Glass Animals & Riton

Last night that I think about you  
Don't stop and you have more crews  
Don't want but babe think about you You know that what I'm gonna do Road shimmer  
Wiggling the vision  
Heat heat waves  
I'm swimming in a mirror  
Road shimmer  
Wiggling the vision  
Heat heat waves  
I'm swimming in a mirror  
Sometimes all I think about is you  
Late nights in the middle of June  
Heat waves been faking me out  
Can't make you happier now  
Sometimes all I think about is you  
Late nights in the middle of June  
Heat waves been faking me out  
Can't make you happier now Usually I put  
Something on TV  
So we never think  
About you and me But today I see  
Our reflections  
Clearly in Hollywood  
Laying on the screen  
You just need a better life than this  
You need something I can never give  
Fake water all across the road  
It's gone now the night has come but Sometimes all I think about is you  
Late nights in the middle of June  
Heat waves been faking me out  
Can't make you happier now You can't fight it  
You can't breathe  
You say something so loving but  
Now I've got to let you go  
You'll be better off in someone new  
I don't wanna be alone  
You know it hurts me too You look so broken when you cry  
One more and then I'll say goodbye Sometimes all I think about is you  
Late nights in the middle of June  
Heat waves been faking me out  
Can't make you happier now  
Sometimes all I think about is you

Late nights in the middle of June  
Heat waves been faking me out  
Can't make you happier now I just wonder what you're dreaming of  
When you sleep and smile so comfortable  
I just wish that I could give you that  
That look that's perfectly unsad Sometimes all I think about is you  
Late nights in the middle of June  
Heat waves been faking me out  
Heat waves been faking me out Sometimes all I think about is you  
Late nights in the middle of June  
Heat waves been faking me out  
Can't make you happier now  
Sometimes all I think about is you  
Late nights in the middle of June  
Heat waves been faking me out  
Can't make you happier now Road shimmer  
Wiggling the vision  
Heat heat waves  
I'm swimming in a mirror  
Road shimmer  
Wiggling the vision  
Heat heat waves  
I'm swimming in a mirror
