

# Let Me in Your Life

**Bill Withers**

I only want to love you  
Please don't push me away  
Let me in your life I wasn't there when he hurt you  
So why should I have to pay  
Let me in your life Chorus:  
I want to share your tomorrow  
So I must beg you today  
If he's the cause of your sorrow  
Be glad that he's gone away I need someone let me love you  
Please don't push me away  
Let me in your life  
La, la, la, la, la  
La, la, la, la, la
