

# One Heartbeat

## Smokey Robinson

Ooh baby, oh-ah, uh-huh  
Two hearts, two of a kind  
Love at first sight  
Why do they say love is blind? Slow down  
We don't have to move fast  
'Cause the love that is real  
Is made to last Take it one heartbeat  
At a time  
Close your eyes  
And let your soul unwind  
Sooner or later  
It'll all fall in line  
If we take it  
One heartbeat at a time  
One heartbeat Ooh  
We paint a picture  
Walkin' down the street  
Leaves are fallin', baby  
So are we Hand in hand  
That's the way it should be  
How could somethin' so easy  
Make me feel so complete Take it One heartbeat  
At a time  
Close your eyes  
And let your soul unwind  
Sooner or later  
It'll all fall in line  
If we take it  
One heartbeat at a time  
One heartbeat at a time Take it easy, ooh  
I want to feel your every emotion Shh... don't talk  
And we'll be makin' love  
In slow motion, ooh  
Slow motion baby  
Slow motion baby Take it one heartbeat  
At a time  
Close your eyes  
And let your soul unwind Sooner or later  
It'll all fall in line  
If we take it  
One heartbeat at a time  
One heartbeat

One heartbeat at a time  
Slow motion baby  
One heartbeat ow!  
Slow motion baby Sooner or later  
It'll all fall in line  
If we take it One heartbeat yeah  
One heartbeat ooh, baby  
Sooner or later  
It'll all fall in line  
If we take it  
One heartbeat  
If we take it
