It's Time

Imagine Dragons

So this is what you meant?
When you said that you were spent?
And now it's time to build from the bottom of the pit
Right to the top
Don't hold back
Packing my bags and giving the academy a rain-checkI don't ever want to let you down
I don't ever want to leave this town
'Cause after all
This city never sleeps at nightIt's time to begin, isn't it?
I get a little bit bigger, but then, I'll admit
I'm just the same as I was
Now don't you understand
That I'm never changing who I am
So this is where you fell
And I am left to sell
The path to heaven runs through miles of clouded hell
Right to the top
Don't look back
Turning to rags and giving the commodities a rain-checkI don't ever want to let you down
I don't ever want to leave this town
'Cause after all
This city never sleeps at nightIt's time to begin, isn't it?
I get a little bit bigger, but then, I'll admit
I'm just the same as I was
Now don't you understand
That I'm never changing who I am
It's time to begin, isn't it?
I get a little bit bigger but then I'll admit
I'm just the same as I was
Now don't you understand
That I'm never changing who I amThis road never looked so lonely
This house doesn't burn down slowly
To ashes, to ashesIt's time to begin, isn't it?
I get a little bit bigger but then I'll admit
I'm just the same as I was
Now don't you understand
That I'm never changing who I amIt's time to begin, isn't it?
I get a little bit bigger but then I'll admit
I'm just the same as I was
Don't you understand
That I'm never changing who I am
