

# Back At Your Door

## Maroon 5

From the moment the lights went off  
Everything had changed  
Lie awake in an empty room  
In my head it all feels the same Like the taste of the day you left  
That still lingers on my breath  
And the dampness of tears that left  
A stain where you had wept All alone with the negligee  
That still hangs off of my bed  
I keep meaning to give it away  
But I just leave it there instead No need to cry about it  
I cannot live without it  
Every time I wind up back at your door  
Why do you do this to me?  
You penetrate right through me  
Every time I wind up back at your door 3 more days til I see your face  
I'm afraid it's far too much  
Cook a meal and fix up the place  
Dial your number, hang it up If I took you for granted  
I apologize for acting tough  
You're my reason for living  
And there's no way I'm giving up, oh Don't need to cry about it  
I cannot live without it  
Every time I wind up back at your door Why do you do this to me?  
You penetrate right through me  
Every time I wind up back at your door  
Now every evening is a bitter fight  
And I'm eating home alone on a Friday night  
I know what your friends say  
"You're just wasting your love and time"  
I will never let you change your mind No need to cry about it  
I cannot live without it  
Every time I wind up back at your door Why do you do this to me?  
You penetrate right through me  
Every time I wind up back at your door No need to cry about it  
I may just die without it  
Every time I wind up back at your door Why do you do this to me?  
You penetrate right through me  
Every time I wind up back at your door Every time I wind up back at your door  
Every time I wind up back at your door
