

# Steel

## Galantis

### Verse 1

Am I lost in this town?  
Where the signs point up  
Take you down  
I hold on 'til the fray  
Everything strong built black and grey  
How many drop and fall away?  
They either crack or separate  
Love is a shell, a heartbreak

### Chorus

But your arms made of steel  
But your arms made of steel  
Open arms made of steel  
Open arms made of steel

### But your arms

### Verse 2

Dreams and thoughts shift around  
As they change they might let you down  
I'll hold on until the fray  
Everything strong filled black and grey  
How many drop and fall away?  
They either crack or separate  
Love is a shell, a heartbreak

### Chorus

But your arms made of steel  
But your arms made of steel  
Open arms made of steel  
Open arms made of steel

### But your arms
