

One Night

[Elvis Presley](#)

One night with you
Is what I? m now praying for
The things that we two could plan
Would make my dreams come trueJust call my name
And I? ll be right by your side
I want your sweet helping hand
My love's too strong to hideAlways lived very quiet life
I ain? t never did no wrong
Now I know that life without you
Is being too lonely, too longOne night with you
Is what I? m now praying for
The things that we two could plan
Would make my dreams come true
Always lived very quiet life
I ain? t never did no wrong
Now I know that life without you
Is being too lonely, too long
One night with you
Is what I? m now praying for
The things that we two could plan
Would make my dreams come true
