

Put It All on Me (feat. Ella Mai)

Ed Sheeran

Ooh, I can't wait to get home
I don't know why, but I'm feelin' low
Happened again and I want you to know
Having my woman there is good for my soul I try to be strong, well, I got demons
So can I lean on you? I need a
Strong heart and a soft touch
And you know when I want love It's you and only you
Who can be takin' away
The shit that I gon' do
Each and everyday
When I'm alone with you
You make it better again, yeah
Your arms are where I wanna remain
Catch my eye, and she starts to say:
Hey, baby, we can dance slowly
My, darlin', I'll be all you need, you need
I know it doesn't make your day or week, or week, or wee—
So put it all on me
I'm a doubt, put your worries on me
Can't judge you 'cause I feel the same thing
And I'm here for whenever you need, you need, you nee—
To put it all on me On me, o-o-on me
Hey baby, we can dance slowly
Put your, put your, put your worries on me
On me, o-o-on me
Hey baby, we can dance slowly
And I'm here for whenever you need
To put it all on me
Ooh, you're there for me when I
Need you to be, 'cause I
Find it hard to say the words
But some shit don't need an explanation, baby I tried to be strong, but I got demons
So can I lean on you? I need a
Strong heart and a soft touch
And you know when I want love It's you and only you
That can be takin' away
The shit that I go through
Each and everyday
Baby, I can wait
In love with all your ways
Your arms are where I wanna remain
Grab my waist when I start to say: Hey, baby, we can dance slowly

My, darlin', I'll be all you need, you need
I know it doesn't make your day or week, or week, or wee—
So put it all on me
I'm a doubt, put your worries on me
Can't judge you 'cause I feel the same thing
And I'm here for whenever you need, you need, you need—
To put it all on me On me, o-o-on me (Babe)
Hey baby, we can dance slowly (Slow)
Put your, put your, put your worries on me
On me, o-o-on me (On me)
Hey, baby, we can dance slowly (Hey, baby, we can dance slowly)
And I'm in for whenever you need (Need)
To put it all on me (On me) I tried to be strong, but I got demons
So can I lean on you? I need a
Strong heart and a soft touch
And you know when I want love
