Hooked

Why Don't We

[Intro: Jack Avery]
Ooh (you got-, you got-, you got-, you-)[Chorus: Jack Avery & All]
You've got a bad reputation in my neighborhood
You drive me mad with temptation 'cause it tastes so good
You know I wouldn't walk away even if I could
It took one night, one try, ayy
Damn, I'm hooked (oh)[Verse 1: Daniel Seavey]
You were there when I was low, you held me high
And baby when you take control, we can go all night
Every single place we go, you start a fight
But then you kiss my neck and take a bite[Pre-Chorus: Zach Herron]
Everybody says that I'm sleeping with the enemy
I don't even care if you're gonna be the death of me, me, me
[Chorus: Jack Avery & All]
You've got a bad reputation in my neighborhood
You drive me mad with temptation 'cause it tastes so good
You know I wouldn't walk away even if I could
It took one night, one try, ayy
Damn, I'm hooked[Post-Chorus: All & Daniel Seavey]
Ooh, I'm hooked
Ooh, I'm hooked (brrr- ah, pa, pa)[Verse 2: Jonah Marais & All]
Ooh, I know that I shouldn't touch but you twist my arm
'Cause I can never get enough once the feeling starts
Baby, I'm the gasoline and your kiss is the spark
But then you take the wheel and crash my car[Pre-Chorus: Zach Herron]
Everybody says that I'm sleeping with the enemy
I don't even care if you're gonna be the death of me, me, me
[Chorus: Jack Avery & All]
You've got a bad reputation in my neighborhood
You drive me mad with temptation 'cause it tastes so good
You know I wouldn't walk away even if I could
It took one night, one try, ayy
Damn, I'm hooked[Post-Chorus: All]
Ooh, I'm hooked
Ooh, I'm hooked[Bridge: Corbyn Besson]
You got me under your influence
I swear I'm never gonna give you up, up, up, up, up, up, up[Chorus: Jack Avery & All]
You've got a bad reputation in my neighborhood
You drive me mad with temptation 'cause it tastes so good
You know I wouldn't walk away even if I could
It took one night, one try, ayy
Damn, I'm hooked[Post-Chorus: All]

Ooh, I'm hooked
Ooh, I'm hooked, oh
