

Still

Lionel Richie

lady, morning's just a moment away
and I'm without you once again
you laughed at me,
you said you never needed me
I wonder if you need me now? so many dreams that flew away
so many words we didn't say
two people lost in a storm
where did we go?
where'd we go?
lost but never found
you know we let each other down
but then most of all I do love you
still ...
we played the games that people play
we made our mistakes along the way
somehow I know deep in my heart
you needed me
cause I needed you so desperately
we were to blind to see
but then the most of all
i do love you
still ...
