Bob Marley

```
(Do do do do-do do do!
                            Do do do do-do do do!
                                I rebel music;
                                I rebel music.)
      Why can't we roam (oh-oh-oh) this open country? (open country)
          Oh, why can't we be what we wanna be? (oh-oh-oh-oh)
       We want to be free. (wanna be free)3 o'clock roadblock - curfew,
                         And I've got to throw away -
                         Yes, I've got to throw away -
                      A yes-a, but I've got to throw away
          My little herb stalk! I (rebel music) - yeah, I'm tellin' you! -
                    (I) I rebel music (rebel music). Oh-ooh!
                        Take my soul (oh-oh-oh-oh)
               and suss - and suss me out (suss me out). Oh-ooh!
                       Check my life (oh-oh-oh-oh),
                   if I am in doubt (I'm in doubt): I'm tellin':
                  3 o'clock roadblock - roadblock - roadblock,
         And "Hey, Mr. Cop! Ain't got no - (hey) hey! (hey, Mr Cop) -
           (What ya sayin' down there?) - (hey) hey! (hey, Mr Cop) -
Ain't got no birth certificate on me now."--- Instrumental break ---(I rebel music)
                                (I rebel music)
                               (oh-oh-oh-oh)
                                (open country)
                                  (oh-oh-oh)
                                  (Do do do!)
                    I (rebel music) - yeah, I'm tellin' you! -
                        (I) I rebel music (rebel music).
                   Oh-ooh! Take my soul (oh-oh-oh-oh)
               and suss - and suss me out (suss me out). Oh-ooh!
                       Check my life (oh-oh-oh-oh),
                   if I am in doubt (I'm in doubt); I'm tellin':
                  3 o'clock roadblock - roadblock - roadblock.
         And "Hey, Mr. Cop! Ain't got no - (hey) hey! (hey, Mr Cop) -
           (What ya sayin' down there?) - (hey) hey! (hey, Mr Cop) -
                   Ain't got no birth certificate on me now."
