

Train (Live From Air Studios)

Goldfrapp

Plastic brain scar
I want laser
I'm your chauffeur
With high gloss highs
Take you where you want Can't stop, oh off the train
Train, yeh, yeh, yeh Wolflady
Sucks my brain
Apricot
Sunrise came
L.A. nights
Just roll in
Can't stop, oh off the train
Train, yeh, yeh, yeh Nasal douche
Poolside line
Softlit tan
What's your sign?
Hold my hand
Just roll in Can't stop, oh off the train
Train, yeh, yeh, yeh
Can't stop, oh off the train
Train, yeh, yeh, yeh Can't stop, oh off the train
Train, yeh, yeh, yeh
