I realized we could rule the world  
Oh yeah, oh yeah  
Fell in love with a real one  
This a dedication (Wow)  
Had 'em patiently waitin' for a revelation  
Even when I ain't around, ain't no separation  
Your skin's smooth, your eyes brown  
And you're far from basic  
Then we go to different places with no suitcases (Wow)  
But when we come back, we got suitcases (Yeah)  
Right now I use love for a medication (Love)  
Back in the day I'd shoot Cupid  
With no hesitation (Bow, bow)  
I got more than 40 acres for my reparations  
Pussy on my navigation, that's my destination (Tell 'em)Please don't never tell on me, baby  
(Never tell)  
That mean don't call 12 on me, baby (Don't call 12)  
As long as the meal prepared for me, baby (It's prepared)  
The mills I prepare, I share with you, baby (Share)  
Of course they gon' like this shit, look at it (Look)  
Everybody ain't happy, then look at me  
Top down on the Dawn like I'm used to it (Used to it)  
Prayin' you make it home like I'm used to itPrayin' you make it home, I got used to it  
Prayin' you make it home like I'm used to it (Yeah)  
Top down on the Dawn like I'm used to it  
Prayin' you make it home, I got used to it (Wow)  
Prayin' you make it home like I'm used to it  
(Wow, tell 'em, baby)

Rode so far, we on E

She on E, she on me (Yeah, yeah)  
Let's try that way... okay

Shaped like a bottle  
She know if she mess with me, it's gon' be trouble I'ma bust that bubble  
I'ma always love her, mess up all the covers (Yeah, yeah)  
Watch me break it down like a foldin' chair  
See me in the Chain Reactions, I got 40 pair  
Sorry I ain't answer the phone  
I was slappin' ass  
Last night ain't answer, I was pullin' hair  
Y'all know me, so lowkey  
All this ice on, I got cold feet My shawty bad, she a trophy  
She like to lay on me and call me cozy (Yeah) Top down on the Dawn like I'm used to it  
Prayin' you make it home like I'm used to it  
Prayin' you make it home, I got used to it (Pray for me)  
Prayin' you make it home like I'm used to it (Alright)  
Top down on the Dawn like I'm used to it (Skrrt)  
Prayin' you make it home, I got used to it (Skrrt)

Oh yeah, oh yeah Skrrt (Yeah)  
Yeah  
I'ma trap it out one way or another  
Yeah (Oh)  
One thing about love  
They say it's blind  
No matter where you're from  
You gon' bump into it one day
