

And Ya Don't Stop

Warren G

For 94, I'm a just glide and swerve
hop up the streets with my heats so observe
its me Z the whee Z, the Warren to the G Z
the deuces and the treys as kickin it through E-Z
and the beach and the bottle where I'm found
fuckin around with the muthafuckin Dogg Pound
fuck it, Warren's goin wild
the G Funk Era and the muthafuckin G Child
funk, melody, rhythm, base
he which is I is in the muthafuckin place
so let me get away, come again like this
I can turn into a murderer so please dont diss
cuz if you do, you know where I'm from
rat tat tat tat diddy dum diddy dum

(Chorus)

And ya don't stop, and ya don't quit
And ya don't stop, and ya don't quit Well let me grab my stick and shift to first

I'm spittin plenty game on my second verse
well let me switch to second just for the rough ride

L-O-N-G-B-E-A-C-H Eastside

Where the grass is greener, at some times
and I dont do shit but drop funky rhymes
now I'm in neutral, shifting to third
cuz what you hear is what you heard, nigga
