Believer (Club Mix) [Feat. Wynter Gordon]

Freemasons

Right now if I was a fortune teller I could see beyond the stars the cards would have a picture with your face on it.I see signs, everything leads to you I'm walking in your direction I'm feelin' this new sensation. Yea'You, taste like hunger, you, feel like urgency you make me wonder, you sound so good to me. So if I'm in love, if I'm alive make me a believer before I leave here tonight, make me a believer.Ouh uh uah ah ah I'm a believer Ouh uh uah ah ah I'm a believernow I, oh I yeah now I, oh I yeahOver time, its not a trust selection we exist to love but love is not perfection, still we try. You, taste like hunger, you feel like urgency you make me wonder, you sound so good to me.So if I'm in love, if I'm alive make me a believer before I leave here tonight, make me a believer. Ouh uh uah ah ah I'm a believer Ouh uh uah ah ah I'm a believernow I, oh I yeah now I, oh I yeahSo if I'm in love, if I'm alive make me a believer before I leave you here tonight, make me a believer.Ouh uh uah ah ah I'm a believer Ouh uh uah ah ah
