Rose, Rose, I Love You

Frankie Laine

Rose, Rose I love you with an aching heart What is your future, now we have to part?

Standing on the jetty as the steamer moves away

Flower of Malaya, I cannot stayMake way, oh, make way for my eastern Rose

Men crowd in dozens everywhere she goes

In her rickshaw on the street or in a cabaret

"Please make way for Rose", you can hear them sayAll my life I shall remember

Oriental music and you in my arms

Perfumed flowers in your tresses

Lotus-scented breezes and swaying palms

Rose, Rose I love you with your almond eyes

Fragrant and slender 'neath tropical skies

I must cross the seas again and never see you more

Way back to my home on a distant shoreAll my life I shall remember

Oriental music and you in my arms

Perfumed flowers in your tresses

Lotus-scented breezes and swaying palmsRose, Rose I leave you, my ship is in the bay

Kiss me farewell now, there's nothin' to say

East is east and west is west, our worlds are far apart

I must leave you now but I leave my heart

Rose, Rose I love you with an aching heart

What is your future, now we have to part?

Standing on the jetty as the steamer moves away

Flower of Malaya, I cannot stay

(Rose, Rose I love you, I cannot stay)
