

# On My Honor

Donna Summer

Here I am on my own again  
the days rush by  
the nights all seems so slow  
guess I've let you down  
in my way, some how  
if you take me back  
I know we'll make it  
we'll make a promise  
and then break it On my honor I will try  
always do the best I can  
though the tears  
may fall like raindrops  
from my eyes honey  
on my honor I will try  
If you want me to be strong  
I'll give it everything I have  
you'll never have to worry  
cause we're not in a hurry  
on my honor I will try It's a lover's dance  
in a fiery chant  
don't be afraid to face the music now  
It's a gambler's chance  
not a lost romance  
and I'm not you  
and you're not me and  
sometimes we feel differently  
On my honor I will try  
always do the best I can  
though the tears  
may fall like raindrops  
from my eyes honey  
on my honor I will try  
if you want me to be strong  
I'll give it everything I have  
you'll never have to worry  
cause we're not in a hurry  
on my honor I will try  
I will try  
I will try  
I'll try
