## R3HAB & Timmy Trumpet

911, I'm on fire  
This damn place 'bout to light up  
911, I'm on fire Evacuate, evacuate My moves are super sick (Hey)  
I need a doctor quick (Hey)  
This is an S.O.S. (Hey)  
I need assistance fast 911, I'm on fire  
This damn place 'bout to light up  
911, I'm on fire  
Evacuate, evacuate (Hey, hey, hey)  
(Hey, hey, hey)  
(Hey, hey, hey)  
Evacuate  
We got to clear the floor, so you can look at me  
Evacuate  
I'm on fire when I got your eyes on me  
Evacuate I'm hotter than the heat  
I'm burning on my feet  
So keep your eyes on me  
Your eyes on me  
I'm hotter than the heat  
Gotta see it to believe  
So keep your eyes on me  
Your eyes on me 911, I'm on fire  
This damn place 'bout to light up  
911, I'm on fire  
Evacuate, evacuate  
(Hey, hey, hey)  
(Hey, hey, hey)  
(Hey, hey, hey)  
Evacuate
