One of Them Girls

Lee Brice

Are you one of them girls?
That peels off the bud light label
Just might run a pool tableRoll your eyes if I call you an angelAin't you, one of them girls?
Asked you to dance, you say "no"
Just to see how far I'll go
Your song comes on and your eyes closed
That's when I know, yeahYou got your heart on lockdown
Got a wall, I gotta knock down
Kinda wanna do a shot now, come on now
And you're one of them girls that
Ain't tryna meet nobody
You're just here for the party
If I'm wrong then stop me, yeah
You're one of them girls that
Ain't handin' out your number
You like to make us want you
You like to make us wonderIf you're one of them girls
'Cause I'm one of them boys
We'll trade this whole world, hmm, yeahFor one of them girls
Who likes to act all quiet
Sexy, not even tryin'
Yeah, you know I ain't lyin', damn right
You one of them girls
Broke every heart in your hometown
On the day you rode out
Got 'em all wishin' on stars now
If I find one of them girls that
Ain't tryna meet nobody
You're just here for the party
If I'm wrong them stop me, yeah
You're one of them girls that
Ain't handin' out your number
You like to make us want you
You like to make us wonderIf you're one of them girls
Well I'm one of them boys
We'll trade this whole world, yeah
For one of them girlsYou're one of them girls
I wanna put my lips on
Hold all night long
Write a little love songFor one of them girls that
Ain't tryna meet nobody
You're just here for the party

If I'm wrong then stop me, yeah
You're one of them girls that
Ain't handin' out your number
You like to make us want you
You like to make us wonderIf you're one of them girls
Well I'm one of them boys
We'll trade this whole world (This whole world)
For one of them girls
Hmm, one of them girls
