High

James Blunt

Beautiful dawn, lights up the shore for me
There is nothing else in the world
I'd rather wake up and see with youBeautiful dawn, I'm just chasing time again
Thought I would die a lonely man in endless nightBut now I'm high, running wild among all the stars above
Sometimes it's hard to believe you remember meBeautiful dawn, melts with the stars again
Do you remember the day when my journey began?
Will you remember the end of time?Beautiful dawn, you're just blowing my mind again
Thought I was born to endless night, until you shineHigh, running wild among all the stars above
Sometimes it's hard to believe you remember meWill you be my shoulder when I'm grey and older?
Promise me tomorrow starts with you
Getting high, running wild among all the stars above
Sometimes it's hard to believe you remember me
High, running wild among all the stars above
Sometimes, it's hard to believe you remember me
