## High

## **James Blunt**

Beautiful dawn, lights up the shore for me There is nothing else in the world

I'd rather wake up and see with youBeautiful dawn, I'm just chasing time again Thought I would die a lonely man in endless nightBut now I'm high, running wild among all the stars above

Sometimes it's hard to believe you remember meBeautiful dawn, melts with the stars again Do you remember the day when my journey began?

Will you remember the end of time? Beautiful dawn, you're just blowing my mind again Thought I was born to endless night, until you shine High, running wild among all the stars above

Sometimes it's hard to believe you remember meWill you be my shoulder when I'm grey and older?

Promise me tomorrow starts with you Getting high, running wild among all the stars above Sometimes it's hard to believe you remember me High, running wild among all the stars above Sometimes, it's hard to believe you remember me
